1. Journal of Proceedings for March 5, 1990 approved. (Annette note)
2. Re Item 8, File 272-90-4: Consideration continued to August 20, 1990 with pending amendment of the whole entitled "Resolution beginning the public process to determine all options for the permanent replacement of the Embarcadero Freeway and the terminal separator, endorsing the immediate replacement of the damaged Embarcadero Freeway with an interim surface freeway."
3. Economic and Social Policy Clerk note: Notify interested parties street closing approved. File 42-90-28.

Requests Granted

By Supervisor Gonzalez, that letter be sent to Director of Public Works requesting investigation of feasibility of installing speed bumps, extra street lamps and repair of the existing 27 lights in the vicinity of Geneva Terrace.

By Supervisor Hallinan, that City Attorney prepare appropriate legislation urging the Mayor, in his preparation of the 1991-92 budget for the District Attorney's office, to only approve funding for 83 trial attorneys in various classifications and five attorneys to be approved at the entry level 8174 classification. In 1992-93, an additional five positions should be reduced from the higher classifications to the entry level attorney classification. In 1993-94 an additional three positions should be reduced from the higher classification to the entry level attorney classification. All of these future hirings at 8174 attorney classification level would be based on attrition of positions in higher level classifications.

By Supervisor Kennedy, that letter be sent to Chief of Police transmitting copy of correspondence concerning lost of personal belongings from car involved in a shooting incident which was kept by the Police Department at City Towing Service and requesting information and comment on what can be done in order for full restitution.

By Supervisor Nelder, that letter of inquiry be sent to General Manager, Recreation and Park Department, to determine how, what criteria, and when horse boarding stables are available and awarded to the general public.

By Supervisor Kennedy, that letters be sent to his Honor, the Mayor, and the Controller requesting report be made to the Board on August 27, 1990, concerning the State budget impact on the City and County of San Francisco, to include but not limited to the following questions:

How much has the population increased over the last 5-10 years? What relationship does this have to the County's caseload growth?

Butte County has .6% of the state's population and 1.2% of the statewide AFDC caseload. Ten years ago, Butte County has 59 sheriff's deputies. Today there are only 36 deputies, despite a 26% increase in the unincorporated population. How does this situation affect response time?

Have you reduced hours, closed branches or shifted from paid professional staff to volunteers in your libraries?

How much money is budgeted for indigent health care today as compared with two, five and ten years ago?

What is the current average wait for emergency health care as compared with previous years?

Has the child protective services caseload changed? To what degree?

Have you suspended capital improvements? What types?

What is the average age and mileage of the vehicle fleet?

Discuss the safety aspects.

What is San Francisco county's unemployment rate?

By Supervisor Hallinan, that letter be sent to Attorney General requesting he publish the state's Research Advisory Panel's report regarding legalization of marijuana. File 261-90-1.

Requests Granted

By Supervisor Alioto, that Legislative Policy Staff prepare legislative analysis on San Francisco's taxicab situation, specifically addressing how San Francisco compares on a per capita basis with other major cities in terms of numbers and availability of cabs; how it compares with other major cities in terms of cab costs, including cost to the rider and earnings of the driver; what affect increased cab permits will have on drivers, cab companies, riders, businesses and other impacted groups and the affect of too few or too many cabs on the tourism industry.

By Supervisor Alioto, that City Attorney prepare appropriate legislation which would establish a ballpark advisory committee consisting of eleven members appointed by the President of the Board and three nonvoting members. The committee would act as a clearinghouse for private or publicly financed stadium proposals; would have authority to solicit proposals for keeping the Giants in San Francisco and to report back to the Board of Supervisors within six months.

By Supervisor Hallinan, that Legislative Policy Staff prepare legislative analysis on San Francisco's taxicab industry.

By Supervisor Hallinan, that letter be sent to Superintendent of Schools inquiring what steps are being taken to prevent a reoccurrence of the violence which took place in a high school game on Friday, November 9, 1990, wherein the Galileo High School football team accumulated ten personal fouls, precipitated a riot which lead to an early termination of the game and the following day attacked a member of the Washington team who had been quoted in the morning newspaper as critical of Galileo tactics.

By Supervisor Kennedy, that City Attorney prepare appropriate legislation which will prohibit delivery or pickup of debris boxes between the hours of 7:00 p.m. and 7:00 a.m. in residential areas.

By Supervisor Kennedy, that letter be sent to the Public Utilities Commission requesting consideration be given to issuing a one week pass in the amount of \$15 for adult passengers.

By Supervisor Kennedy, that Budget Analyst do a survey on the number of temporary employees (limited tenure appointments) currently working throughout the City, how many are being paid at the first salary step and how long these employees have been employed as temporary as needed.

By Supervisor Kennedy, that letter of inquiry be sent to Executive Director, Parking and Traffic Department, to determine the feasibility of changing the flashing yellow signal lights to regular working signals at the locations of Golden Gate Avenue and Buchanan Street and Turk and Buchanan Streets.

By Supervisor Gonzalez, that City Attorney prepare appropriate legislation requiring operators of automobiles and tour buses to shut off their engines when idling parked.

By Supervisor Walker, that Budget Analyst prepare a report to the Board explaining what proportion of the Mission Bay workforce is assumed to be residents of San Francisco.
